I don't think you should even consider NAB's petition 04-160. I pay XM Satellite Radio a Mounthly fee for the wide variety of music, talk shows, sports. & the comedy channel. I also use the XM Instant Traffic & weather on channel 216. From were I live it is the most up to date reporting that I have avlable to me for my area and I use it almost everyday. so PLEASE don't take that away from me
Thank you
